

# Alternatives to the arms trade

An exhibition to illustrate some of the ways this country's resources, both human and industrial, could be redirected into useful production creating *more* job opportunities than military projects; and how scarce resources in the developing countries could be spent on products and projects to provide for basic human needs.

## St George's Church, Portsea 3-7 Sept. 81

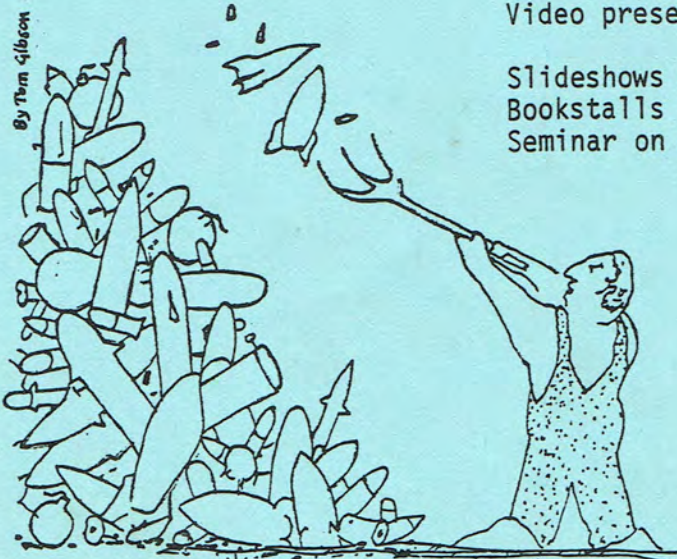

ALL WELCOME ADMISSION FREE DAILY 11am-7pm (Sunday 3pm-7pm)
